Dancer*

Mindy Bear, mother, wrote "Recco Jose Bear was 32 years old and went on his spiritual journey in Winnipeg, Manitoba and was by his side." In his lifetime Recco had his loving mother Mindy Bear and his brothers Dwight and Stoner and his sister Summer Rain. He had a relationship with his father Elliard Francois and his children Nena, Roxy, Jamie, Reynold and Levi. He loved to take part in the lives of his nephews and nieces (Clement, Conway and Veronica) just like a big brother.

Recco had a strong relationship with his GrandPAPA Gordie Bear and at a young age started to learn northern survival skills such as fishing, hunting and camping at North Channel. He would face the harsh elements of nature during Commercial fishing season and later enjoy his reap of \$\$ from his hard work. He would come to know that his grandpa's lesson were not easy ones most of the time.

Recco maintains a good relationship with his grandmothers Christina Linklater and Victoria Francois and would check on their well-being. He would clean-up and even cook meals for his young ladies as that is how he seen his grandmothers, young at heart always. He also learned life lessons from them through advice and storytelling. He did not take offence to any lesson as he understood that this is the way it is and done with love. Everyone

had unconditional love for Recco Jose Bear.

Recco had many friends from our community of Pukatawagan right from childhood to his adulthood and friends come and go. He enjoyed sports such as snowshoe races, paddling on the Churchill River and square dancing just to have fun! He did enjoy life!

He had his special friends in the town of The Pas and his visiting place was at The Pas Friendship Centre that always welcomed him. The Pas Friendship Center staff would like to express their sincere condolences to his family and community. He will be missed by his buddies and staff members, and all will be attending to his Wake Service at the Church of Messiah at OCN on Wednesday, June 14, 2023 till the family continues their journey on Thursday's train.

The family would like everyone to remember Recco Jose Bear with kindness and compassion that is to be shared by everyone.

Recco's family would like to say a special thank you to everyone for their support through this difficult time.
