

Life is like a Patchwork Quilt

Life is like a patchwork quilt
And each little patch is a day
Some patches are rosy and bright
And some are dark and gray.

But each little patch as it's fitted in
And sewn to keep it together
Makes a finished block in this life of ours
Filled with sun, and with rainy weather.

So let me work on life's patchwork quilt
Through the rainy days and the sun
Trusting that when I have finished the quilt
The Creator may say: "Well done."

*"But we remember now in
love,
Your life from start to end,
And we're just glad we
knew you,
As Mother, and as Friend."*

***Judy Maureen
Chartrand***

**October 28, 1951

Judy Chartrand (nee Lower) was born in Winnipeg Manitoba. When she was 16 she moved to

The Pas. Shortly after that she was married to Leonard George. Life for her wasn't complete until she started dating Burnell. It was love, two people relied and needed each to complete life missions. So Judy George became Judy Chartrand. From there life blossomed into raising a family.

While raising a family Judy took Health Care Aid. While she loved her job, her feet and legs were becoming a problem where she couldn't stand for long periods of time. From there she opened a restaurant at the Alouette Hotel and called it JC's Dinner. Judy loved to cook and wanted to share her gift with others. Soon after she stayed home.

Her hobbies flourished during this time. Judy would knit, crochet, touques, scarves, shirts, mitts, cross stitch, creating beautiful images of birds, garden, cats, scenery, make quilts, and afghans of various sizes and colors. If she was not doing any of those hobbies she'd be in the kitchen baking. Baking cookies, doughnuts, breads, and there were no one

dozen of anything, when Judy got to baking she'd bake five to six dozen of the item.

Mom loved her family, she loved to provide with her skills of making delicious home cooked meals and desserts of many flavors. She enjoyed visits from family and friends. Mom had a blunt way about her and I think that I am going to miss it as much as it drove me nuts when I was younger. I appreciate the times spent together.

Mom leaves to mourn her children Noel (Sarah), Samantha (Vernon), Glenn (Jamie), Penny (Clayton), Dwayne, Brittany.

Judy was predeceased by her husband of 35 years, Burnell.
