

Remember

by Christina Rossetti

Remember me when I am gone away,
Gone far away into the silent land.
When you can no longer hold me by the hand,
Nor I half turn to go yet turning stay.
Remember me when no more day by day
You tell me of our future that you plann'd:
Only remember me; you understand it will be late to counsel then
or pray. Yet if you should forget me for a while,
And afterwards remember, do not grieve:
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile,
Than that you should remember and be sad.
