

# In Honor of Joshua Hansen

## Blood Donation Challenge January 15, 2025 – March 15, 2025

Family, friends, and community members are all coming together to honor Joshua Hansen.

6849 days made up Josh's life, but those days will have a lasting impact on this world. Josh was a bright light to all who knew him and had a profound impact on so many people during his life.

He had a gentle and compassionate heart, even as a young child, always making sure everyone was included and had a chance to join the fun he was experiencing. Josh faced battle after battle with cancer with such grace, strength and can-do attitude. He fought so bravely, enduring some of the most difficult and painful complications the doctors have seen. He continued to fight for his life, recognizing the gift of every day. His legacy will carry on forever reminding us that we control our attitudes, that we choose to live a life of meaningful acts of love and service.

### EVERY DROP COUNTS

Every 10 minutes, someone in Olmsted County needs a blood transfusion. Your donation can support people in health crises in our community, including premature babies, cancer patients, and accident victims. Donated blood is irreplaceable, and all transfusions rely on donors like you.

Donors must weigh at least 110 pounds and have written consent form filled out from their parent or guardian if 16 or 17 years old.

**To donate in honor of Josh and participate in this community challenge, simply fill out a challenge slip at the front desk and place it in the box! Call 507-284-4475 to schedule your appointment!**
