

Gigs (Greg) Zeller was born to the late Raymond and Betty (LeCompte) Zeller on January 20, 1953, in Mobridge, South Dakota. He lived most of his life in Mobridge, except for a short period of time when he attended school at NoDak School of Science in Wahpeton, ND. This is where he learned his trade of Auto Body Repairs. He returned home to Mobridge and started a life in the auto repair industry. He worked at Lee and Jundt Body Shop, Davidson Chevrolet and 31 years in partnership with G & R Body Shop. In addition, he added part-time rancher along the way as well. Gigs retired in 2015 to the ranch north Mobridge.

Gigs was a kind- and soft-hearted soul. Everyone knew he was in the room when they heard his laugh. He enjoyed life doing the things he enjoyed whether it was being with his Harley trips the with the guys, raising his cattle, or the many hours of shooting the breeze with whom ever came along. In recent years, it was sitting outside in the sun at the ranch with his dogs, Buddy and Toby, by his side. He made friends easily and treasured each and everyone he had, and usually had a story to go with each one. If you ever had the pleasure of meeting him, you more than likely were given a nickname, (whether you knew it or not). Gigs will be greatly missed by many.

Gigs was a husband to Sandy, father to Cody and Christopher, father-in-law to Ashley (Christopher's wife), grandpa to Kiptyn and Kolter as well as three bonus grandchildren, Brayden, Dawsyn, and Creed, brother to Millie, Gary, Brad and Jason, uncle to many nieces and nephews, a brother-in-law to many.

Gigs is preceded in death by his parents Ray and Betty, Sister, Millie Lilienthal, Brother, Brad, an infant Brother, Nephew Boyd Baierl, Sister-in-Law, Bonnie Valley, Brother-in-Laws, Doug Lilienthal and Joseph Mirth, and Mother and Father-in-Law Loren and Janice Barone.

DEAR FRIENDS I GO

*"Dear friends I go, but do not weep
I've lived my life, so full and deep
Throughout my life, I gave my best
I earned my keep, I've earned my rest
I never tried to be great or grand
I tried to be a helping hand.
If I helped in a team, if I helped on my own
It was more than repaid by good family and
friends I have known.
And if I went the extra mile,
I did it with pleasure
It was all worthwhile.
If I brightened your path, then let it be
A small contribution from
my loved ones and me,
Now sadly I leave you and travel alone
Through a mystic veil to the great unknown.
With such beautiful memories
That will forever be the way that I hope
You'll remember me."*
