

Acknowledgements

Perhaps you sent a lovely card, or sat quietly in a chair.
 Perhaps you sent a funeral spray, if so, we saw it there.
 Perhaps you spoke the kindest words, as any friend could say;
 Perhaps you were not there at all, just thought of us that day...
 Whatever you did to console our hearts, we thank you so much, whatever the part.

Tribute Poem

(Grandson LaTravious Tyson)

*Dear Gma, My Sugarfoot, My Best friend
 I'm grateful for each day you gave me,
 You gave me strength when I was weak,
 You gave me my voice when I couldn't speak,
 You gave me eyes when I couldn't see,
 You gave me wings when I couldn't fly,
 You gave me love when I couldn't reach,
 You gave me faith when I didn't believe,
 You saw the good left in me,
 I'm everything I am because you loved me.*

Rest easy Big Momma, I'm smiling for you because you're on to the next step to where we all must go, where there is no more pain, no more suffering, I'm rejoicing for you, not crying like you always told me for when this time came for you to leave us. I'm happy because you prepared me and gave me unconditional love and reassurance that this life is temporary and we must all be ready for the next step. Allah has you now Sugar, you're my big baby forever, we love you dearly.
 Love your Grandson - Travious
