

God saw that he was tired and weary
So He did what He knew best
He came and stood beside him
And whispered, "Come home with me and
rest"

He bade no one a fond farewell
Nor even said goodbye,
He was gone before we knew it,
And only God knows why.
When God called you to come to rest
You didn't go alone:
For part of us went with you
The day He called you home
