Tiny feet left the biggest footprints on our hearts

Our angel

Baby Dominic Taylor McCormick passed away on May 12, 2025, at his residence. Age 1 month and 23 days. Dominic was born on March 19, 2025, to MyAsia Ferguson and Donald McCormick.

Our son will always be dearly missed. I was happy to hold Dominic for the first time. His sisters, Masani and Jaily, were also there when he was born. All the memories and times shared with Baby Dominic were miracles and blessings to us. He will be greatly missed by his family.

*Dominic, we love you so much! Rest in heavenly peace our little angel.
