Obituary

With hearts full of love and unimaginable sorrow, we share the passing of our sweet boy, Agustin "Auggie" Garcia on March 31, 2026. He was born on March 9, 2026 to Michael Garcia and Berenice Montes and, in his short time here, filled the lives of his family with a love deeper than words can express.

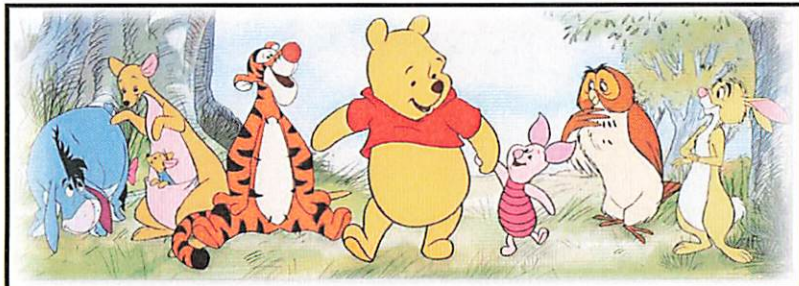

Auggie was cherished beyond measure by his parents and adored by his siblings Noel, Michael and Jose; along with grandparents, aunts, uncles and cousins. Though his time in our arms was brief, the impact of his life will last forever. He brought a quiet strength, a beautiful light, and a love that will continue to live on in the hearts of those who love him.

We find comfort in knowing that Auggie is now resting peacefully in God's arms, wrapped in eternal love and free from pain. Though we cannot hold him here, we trust that he is held in heaven, watching over us and surrounded by peace.

He will always be remembered as our precious baby, forever loved, forever missed, and forever part of our family.

Auggie's memory will be carried in every heartbeat, in every moment of love shared, and in the bond that can never be broken.

"You may be gone from my sight, but you are never gone from my heart."
