Mama thank you for teaching me how to be a woman, mother, and wife. You introduced me to the lord at a young age, I honor you. I'm going to miss you, but God needed you more.

Love, Donna

Mama, we thank you for all you have done for us. You taught us so many life lessons, we will carry with us forever.

Your loving Children

## *"Don't Grieve for Me"*

*Don't grieve for me, for now I'm free  
I'm following the path God has laid you see.  
I took His hand when I heard him call  
I turned my back and left it all.  
I could not stay another day  
To laugh, to love, to work, to play.  
Tasks left undone must stay that way  
I found that peace at the close of day.  
If my parting has left a void  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss  
Oh yes, these things I too will miss.  
Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much  
Good friends, good times, a loved one's touch.  
Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief.  
Lift up your hearts and peace to thee  
God wanted me now; He set me free.*
