

*Look at us  
After all that we've been through*

*Look at us  
Still leaning on each other*

*If you wanna see how true love should be  
Then just look at us*

*Look at you  
Still pretty as a picture*

*Look at me  
Still crazy over you*

*Look at us  
Still believing in forever  
If you wanna see how true love should be  
Then just look at us*

*In a hundred years from now  
I know without a doubt  
They'll all look back and wonder how  
We made it all work out*

*Chances are we'll go down in history  
When they wanna see  
How true love should be  
They'll just look at us*

*Chances are we'll go down in history  
When they wanna see  
How true love should be  
They'll just look at us*

*When they wanna see  
How true love should be  
They'll just look at us*
