# Obituary

**RHONDA ELLEN WILLIAMSON** passed peacefully on December 28, 2025, at the age of 50, surrounded by her loving family and friends.

She was the beautiful beloved daughter of Oliver and Sandra Hill, and sibling to Mike [Tammy], James [Rochelle], and Allen [Carla]. She was born and raised in Jenks, Oklahoma. She was her mom's little doll and daddy's little girl from birth. She always enjoyed the love and many tricks and antics of her brothers.

Rhonda was saved at an early age, her faith in God was a driving force in her life.

In 2004, she met the love of her life in Sapulpa, Oklahoma, Lucas Williamson, Jr. They had 21 years of love, laughter, and adventures, especially cooking his wings for the 49ers games. Her husband and children were her entire world and she showed it to everybody, every day.

Rhonda will be missed by her loving and devoted husband, Lucas (Luke) of 15 years, and her children, Preston, Christian, Brennen, Trenton, Quinten, Zackary, Hunter, Shay, Trinity, Tatiyonna, and Tristyn.

Being a mom was her joy. So many children called her mom and treated her as mom, and she loved and treated them as her own.

Rhonda took a very active role in the lives of her loving-in-laws, aunts, uncles, nieces, nephews, cousins, and special friends, reassuring them with overwhelming love, affection, and constant giving.

Awaiting her in heaven is Oliver (Vern) Hill; her Daddy; and her baby girl, Trinity Angel Williamson
