

Thank You

It is difficult to describe just how much your gesture of support in our time of need means to us.

To have a reminder from the people that care that we are not alone in our grief is immeasurable.

The seemingly insurmountable challenges ahead would be overwhelming if it were not for you.

The loving care you have shown has meant that little by little, we are becoming more able to deal with our loss.

If desired, the family asks that donations in Marjorie's memory be directed to the *Xavier Jesuit Academy*.
