Dear Papa, Merry Christmas I hope you had a very good Christmas. I love you not just saying that because I'm your granddaughter but because I really do love you. You are the best grandpa in the world. You are so strong and brave. I thank you for helping me with all the math problems I didn't understand. Math is my favorite subject. I love talking to you even though I don't talk that much. I love all your stories you told me. Thank you for teaching me how to fish and how to be strong like you. I love to make you laugh. You taught me how to be kind to people and I thank you for that. I love how you're always proud of me whenever I pass a test (you don't have to pay me every time I pass). I love you papa.♥

Love Hadley / your grand-daughter.♥
