Parker James Hassell, 13, of Morehead City, North Carolina, passed away on Tuesday, July 16, 2024, at New Hanover Regional Medical Center.

Parker was born on July 22, 2010, in Morehead City, NC, to Jeffrey and Amanda Hassell. As a young boy he always had a sensitive heart toward the Lord. As the years continued, he grew in his faith and developed a solid relationship with the Lord. He loved being on the Praise Team at his home church, Parkview Baptist Church where he was actively involved with the Saltlight Student Ministry.

Music held a special place in Parker's heart. Along with being on the church praise team, he loved going to concerts and always sang in the shower, belting out his favorite tunes.

Parker's pastimes included playing video games where he enjoyed the challenge and success of the win. Nothing was more special for Parker than spending time with his father whether they went shooting or fishing, he was always happy whatever the activity. Among his favorite foods were tacos which he generously topped with sour cream.

Parker was intelligent and hardworking, he always welcomed a challenge which he tackled with ease. He was eagerly anticipating high school and was looking forward to participating in the Scholastic Leadership Academy at West Carteret High School.

With a sense of humor that kept everyone in good cheer, Parker's ever-present smile would brighten the room.

Those remaining to cherish his memory are his father, Jeffrey Hassell and wife Shea of the home; brother, Grady Stuart Hassell of the home; sisters, Taylor Byrd of the home and Logan Byrd of Morehead City; paternal grandparents, Stuart and Beth Hassell of Newport; maternal grandfather, James Edwin Johnson of Newport; uncle, Josh Hassell and wife Chrissy of Morehead City; aunt, Jennifer Collars and husband Alex of New Bern; and numerous cousins.

Parker was preceded in death by his mother, Amanda Hassell and maternal grandmother, Wilma Rabon Johnson.

As an expression of sympathy, memorial contributions may be made to the Youth Department at Parkview Baptist Church

Friends & Family

We would like to express our sincere appreciation to family, friends, our Parkview family and community for the outpouring of love and prayers during this difficult time.

We have thought about all the life events that Parker will miss out on; first day of high school, first Jeep, first date, first day of college at NCSU, his wedding, starting a family and that he will not be able to fulfill his dream of following in the “family business” of Engineering at Cherry Point.

Selfishly, we wanted to share those things with him, but we know that this life is nothing compared to what he has now.

We pray that Parker’s life, although too short, will be an inspiration to everyone regardless of age.

We are grateful for the time we had with him and that we had the privilege to love him.

Thank you again for the prayers and love.

Happy 14th Birthday in Heaven!

Sincerely,
Jeff and Shea Hassell
