God saw that he was getting tired,  
and a cure was not to be.  
So He put His arms around him and  
whispered "Come with Me."  
With teary eyes we watched him suffer,  
and saw him fade away,  
Although we loved him dearly,  
we could not make him stay.  
A golden heart has stopped beating,  
hard working hands to rest.  
God touched our hearts to prove to us  
He only takes the best.
