

## Footprints on our Heart

Some people come into our lives  
and quickly go, like waves briefly  
touching the shore.

Some people stay for awhile, and  
give us a deeper understanding of  
what is truly important in this life.

They touch our souls. We gain  
strength from the footprints they  
have left on our hearts, and we will  
never ever be the same.

Flower-strewn pathways
