Runes Of Comfort For The Bereaved

*I am the Life and the Light and the Way.
The earth is my garden.
Each of the souls I plant as seeds
Germinates and flowers in its season
And in each I am fulfilled.
There is no cause for grief
When a blossom fades
But only rejoicing for the beauty it held
And praise that my will is done
And my plan served.
I am one with all creatures
And none is ever lost
But only restored to me
Having never left me at all.
For what is Eternal
Cannot be separated from its Source.
I am with you all,
And each of you is a channel for my light
Feel my love enfold you now*
