Don't Quit

When things go wrong as they sometimes will,
 When the road you're trudging seems all up hill,
 When the funds are low and the debts are high
 And you want to smile, but you have to sigh
 When care is pressing you down a bit,
Rest, if you must but don't you quit.
 Life is queer with its twists and turns,
 As everyone of us sometimes learns,
 And many a failure turns about
 When he might have won had he stuck it out;
Don't give up though the pace seems slow—
You may succeed with another blow.
 Success is failure turned inside out—
 The silver tint of clouds of doubt,
 And you never can tell how close you are,
 It may be near when it seems so far;
So stick to the light when you're hardest hit—
 It's when things seem worst that **you must not quit.**
