Don't Believe They Left Us

Don't ever say they left us.
When their memories are here,
And all the love they gave us.
Throughout their many years.
Just let us continue to believe.
They're in the very next room,
Just right around the corner
Where some will be joining them real soon.
When will this be, we never know
Only the hands of our clock will tell,
It could be in a morning with the whisk of the breeze,
Or a faint shadow of light as the sunset melts.
For no man has the power to tell when the time is near,
But don't believe they left us,
When their memories and love are here.
