CELEBRATING THE LIFE OF
Albert 'Dale' Gregory

August 24, 1935 ~ June 28, 2026

BETWEEN SOMEWHERE AND
SOMEWHERE

*Between somewhere and somewhere
there is a doe with two spotted fawns frolicking,
bluebirds wing their way to green,
the silence of awe in God's creation reverberates,
ringing off mountains missing rain.*

*Your calm demeanor,
appreciative chuckle,
open-armed welcomes,
we remember, savor.*

*The sun rises, red as Mars,
persistent with wildfire smoke states away.
You slipped easy from a life you loved,
in a place grounded Holy Spirit home
to a promised land
from one temporal dessert into the eternal.*

*God bless your soul
as you did ours in your lifetime.*

~Celia Turner
