THIS IS NOT GOODBYE

*I did not want to leave you.
It was just my time to go.
I know your heart is breaking,
so I need to let you
i know that although
you can no longer see me,
I'll be forever by your side, I promise.
Time will numb the
pain and help dry the tears you've cried.
You can reach me in your memories.
Just think of me, I will
be there, in your dreams,
we can visit yesteryear,
where we didn't have a core.
Please carry on and live
your life, I beg you to try.
Just know we'll meet one day again,
as this is not goodbye.*

THE SPARK

*You are the spark in every room, the
laughter rising above the music, the one
who could turn an ordinary
moment into something worth
remembering. You showed up for
everyone with open arms, honest advice,
and a heart that never let people feel
alone. If we needed strength, you gave
it. If we needed comfort, you stayed. You
celebrated life loudly, dancing through
hard times and good ones
alike, reminding us that joy was
something meant to be shared. Now the
music feels softer without you, and
there's an emptiness where your light
once stood, but your love still echoes
through our family in every laugh, every
hug, every memory. Though you're gone
from our sight, the warmth you gave
this world remains because people like
you never truly fade.
