*With Heartfelt Gratitude,*

The family wishes to express their sincere appreciation to the compassionate staff at St. Luke's Children's Hospital in Boise, her dedicated palliative care team, and the Hospice of the Wood River Valley. They are also deeply thankful for the supportive Rett syndrome community on Facebook, whose encouragement has meant so much. To all the friends and family who have surrounded Delilah with love, support, and kindness throughout her life, the family extends their deepest gratitude. The Wood River community has been an invaluable source of strength and honor, providing a nurturing environment in which Delilah was able to grow and thrive.
