Special Thanks to Blanche Reed:

When things looked hopeless you kept the faith. When there was no cure you created one. You never said quit or thought of giving up. You nursed Mom back time and time again until God was ready for his elder Angel. Take a bow and a well-deserved rest.

The family wishes to express our appreciation to our sister, Evelyn, for the love and dedication she has shown to our mother. She loved being here in Mississippi and provided many hours of care and comfort to her. She made Mom's life joyful by taking her to Total Care Adult Center. We are aware that you have a home in LA that you have almost abandoned to come back home. We love you and May God bless and keep you.

Acknowledgement

Perhaps you sang a lovely song or sent a dish of food. Perhaps you sent a potted plant or a bouquet to set the mood. Perhaps you sent a beautiful card or donated your care. Perhaps you sat quietly in a chair, if so, we saw you there. Perhaps you spoke the kindest words as any friend could say. Perhaps you were not there at all, just thought of us all that day. Whatever you did to console our hearts, we thank you so much for whatever the part. Each act of kindness will be acknowledged at a later date.

Tributes

I am going to miss our many travels across the country for All-Star games and other events. You were a joy to be around and you always made me feel special. Rest ma.

- Ernest Jones, Sr.

Grandma, I enjoyed spending my summers as a child with you. But my biggest joy was our private adult conversations during the holidays in Chicago. I will forever remember them...especially when you'd ask for a purse every Christmas. Forever in my heart.

- Nathalynne

When he made you he broke the mold. He knew he would not need it again and he knew he built you to last. He gave you so much because he knew you were a giver and you would give it all away keeping nothing for yourself.

Just know even though you are gone you are still giving and live on in so many.

- Derrick K.

"I Am Always With You"

I am always with you
When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.
I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.
So grieve for me a while, if grieve you must
Then let your grief be comforted by trust
That it is only for a while that we must part,
So treasure the memories within your heart.
I won't be far away for life goes on.
And if you need me, call and I will come.
Though you can't see or touch me, I will be near
And if you listen with your heart, you'll hear
All my love around you soft and clear
And then, when you come this way alone,
I'll greet you with a smile and a "Welcome Home".
