

My Creator, you call upon me to come home! I thank you for allowing me on this earthly journey. Especially with my parents, grandparents, and great-grandparents. Most importantly, my relationships where we have special children. I thank our Creator for my grandchildren, as life must go on.

Remember, you are all my family. I love you; each one of you. Do not forget the good times we had together. Those were the special days and nights.

I ask you to continue praying and not give up on life. Our Creator is loving and forgiving. That daylight will come when our Creator calls upon you.

I ask you to be happy in life and good fortunes.

*With lots of love
All my relations.*
