For our light affliction, which is but for a moment, worketh for us a far more exceeding and eternal weight of glory; While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal.

TRIBUTES

Our Beloved Mother

We hold our mother close
within our hearts,

And there she shall remain,

To walk with us

Throughout our lives.

Until we meet again.

So, rest in peace

our beloved Mother,

And thanks for all you've done.

We pray that God has given you,

The crown you've truly won.

Love Shay and Jr.

A Much-Loved Grandma

The day that God called your name

It broke my heart in two

But Heaven needed an Angel

I just wish he could have waited

And let you stay with me

But you have left memories

in my heart

And that's where they'll always be

I just wish I could rewind the clock

Or make it turn real slow

I could have hugged you

one more time

Before you had to go

Now matter how much

time will pass

I'll miss your everyday

Keep shining bright in Heaven

So, you can light my way

Love CJ
