A precious one from us is gone,
A voice we loved is still.
A place is vacant in our home,
Which never can be filled.

The Acknowledgement

Words cannot express the appreciation and gratitude that we felt from the "love and warmth" shown and given to us through you!! We the family would like to THANK each and every one of you for comforting us during our time of need. Sharing all of the wonderful stories about Mom and filling our hearts with joy, laughter and lots of smiles. We felt your love for her through your words. It goes without saying that you truly helped to make a very difficult time much more bearable.

With love from us to you,
