Our family is saddened to see Charlie was taken away from his family too soon. A beautiful soul, a faithful servant of God was called to be by God's side abruptly, a pain all of us had to endure and did not understand. However, we are continuing to pray for Erica and her young children. We drove 550 miles to be at the Memorial Service and it was an emotional and Beautiful service. Thank you, Erika for being strong and a role model to young mothers and wife.

We were devastated to hear about Charlie. He was such an inspiration to everyone. He was so caring when he had his debates. He was never mean. He helped so many people. He will be missed but we have peace because we know he is in Heaven . We are continuing to pray for Erika and their children and all the family. We love and miss Charlie

I knew little about Charlie Kirk before he was assassinated. But, what I now have learned since his death has shown me our country has lost a true patriot. My heartfelt condolences to his wife Erika, their precious children, his family and friends. God bless them as they continue to fulfill Charlie's legacy. May his mission continue to be stronger than ever. My entire Meyer family prays for Turning Point's continuing success.

Hello Erika,

This is Elise Eckenrode again. I have seen a documentary called The Power of Forgiveness, by Martin Doblmeier. It is a very worthwhile documentary. Your capacity to forgive is very commendable, and I felt that way about the way that people in the documentary forgive. Part of it focuses on the Amish, and I live in Lancaster County, PA, and have seen how the Amish forgive. I just wanted to make you aware of this documentary, and to let you know that my family and I are praying for you and your family.

In Christ's love,
Elise Eckenrode

Watching you through out the years, you have taught me to see courage in what I stood for, to not back down , and get others with compassion, empathy, understanding and love to think about what they believed in and to change if it doesn't align with what was right. Though I find it very difficult to stand in front of thousands and do what you do, I can (because I have stood in front of hundreds, just never thousands) but can't, I get very shy. .May an angel forever rest in peace in the arms of Jesus, warrior, martyr, and Patriot.

May your zeal for life and liberty not be forgotten. God rest your soul in peace.

Charlie Kirk was taken from us too soon. He's changed many lives. His legend will live forever in the hearts of Americans. He was able to debate without using vulgar language and stay as calm as a summer breeze. On a college campus, he would debate students who could look things up on their phones; he didn't use a phone, and he didn't have a script. He is a true patriot. Let's remember him for how he wanted to be remembered.

Through tireless work, through steady care,
