Forever In Our Hearts

"Never Goodbye"
 We never said goodbye.
 Instead, it was see ya.
 We never said goodbye.
 It was talk to you later.
 We never said goodbye.
 You always said that was too final.
 The spirit is infinite so this too can't be goodbye.

It is and always will be.
 I HOLLA...
 Love, Brittany

To My Children
 As I Sit in Heaven
 And watch you everyday,
 I will try to let you know with signs.
 I never went away.
 I hear you when you're laughing,
 and watch you as you sleep.
 I even place my arms around you.
 To calm you as you weep.
 I see you wish the days away.
 Begging to have me home. So, I will try to send you signs.
 So, you know you are not alone.
 Don't feel guilty that you have
 life that was denied to me.
 Heaven is truly beautiful,
 just you wait and see.
 So, live your life, laugh again,
 Enjoy yourself, be free!
 Then I know with every breath you take
 You'll be taking one for me.
 Love Always,
 Bar

For My Favorite Aunt With Love
 I feel such a special closeness to you. I always have,
 I guess it's because. From the beginning, you have been there for me.
 encouraging me, listening to my troubles, and cheering me on along the way.
 I want to thank you and let you know how much you mean to me.
 I love you dearly, and I feel so fortunate that you were in my life.
 You will be a part of me forever.
 Love,
 KaylaLayLay

If I knew my wedding was going to be our last dance
 I would've held you a little tighter danced a little longer laughed a little harder.
 If I knew November 6 was going to be our last day together, I would've prayed that Nov 5
 could last forever. I can't pretend that you leaving didn't break a huge part of me.
 I found myself wanting to call your phone these last few days just to hear your voice and you
 telling me love you back! I tried to write this letter so many times but writing it just makes it
 that much more real for me. BarBar today I just want to say thank you and I hope you know
 that I'm forever grateful for you! Thank you for always being there and never letting me go
 through life alone no matter if you disagreed you never let me down thank you for always
 showing up for me! Thank you for choosing to live in an honorable fashion.
 Thank you for choosing to love at such a capacity. Thank you for your words.
 Thank you for all your time you have invested in guiding me teaching me loving me but Bar you
 never showed me how to live life without you. I'm going to miss you so much BarBar.
 You are truly my favorite person. I called you for literally everything and it wasn't nothing you

In Loving Memory Of Our Wonderful Sister
 Of all the special gifts in life
 however great or small,
 to have you as our sister
 was the greatest gift of all.
 May the winds of love blow softly?
 and whisper in your ear
 "We love and miss you, Sister.
 and wish that you were here."
 Deep in our hearts, your life is kept to love and
 cherish,
 not forget.

No more tomorrows we can share.
 but yesterdays are always there.
 A silent thought, a secret tear
 keeps your memory ever near.
 in our hearts forever.
 Love Your Siblings,
 Annie, Allen, Sheila & Rodney

It's So hard To Say Goodbye To Yesterday
 How do I say goodbye to what we had?
 The good times that made us laugh
 Outweigh the bad
 I thought we'd get to see forever.
 But forever's gone away.
 It's so hard to say goodbye to yesterday.
 I don't know where this road Is going to lead.
 All I know is where we've been.
 And what we've been through
 And if we get to see tomorrow
 I hope it's worth all the wait.
 It's hard to say goodbye to yesterday.
 And I'll take with me the memories.
 To be my sunshine after the rain
 It's so hard to say goodbye to yesterday.
 Cherishing the memories
 Love,
 Daphne

When I COME TO THE END OF THE ROAD and the sun has
 set for me I want no rites in a gloom filled room
 Why cry for a soul set free?
