

*We can't know why the lily
has so brief a time to bloom
in the warmth of sunlight's
kiss upon its face.*

*Before it folds into its fragrance in
and bids the world goodnight
to rest its beauty in a
gentler place.*

*But we can know that
nothing loved is ever lost
and no one that has touched
a heart can truly pass away
because some beauty lingers on
in each memory of which
they've been a part.*
