

*To A Loving Nephew*

Although our worlds are different now  
Or is that just how it seems  
For I see you when I close my eyes  
Because you're always in my dreams

I know you're up in heaven  
And looking down on me  
And when I look up at the stars  
I know that's where you'll be

Even though I miss you  
You're not too far away  
Because my heart is full of memories  
And I treasure them everyday

Our time on Earth was special  
But its only the very start  
So please keep watching over me  
While we're not so far apart

Someday the time will come  
When I no longer feel this pain  
That I the day when Heaven calls  
And we will meet again.
