A Life Well Lived

On January 10, 1948, John Raymond Olson came into the world. John Olson was born to Kermit H. Olson and Irene Reicks Olson and was welcomed home by his two brothers and two sisters.

John Olson was raised in the Teton River Valley and graduated from FBHS (Fort Benton High School). He continued his education at Carroll College, Montana State University, and Phoenix College.

Family called John Olson home to take over the family farm, where he later met Roxeen Osterman. The two were married and built a life together. They had two sons and continued farming until John Olson retired.

John Olson is survived by his wife and two sons: Kirk Olson (and wife Becky) and Kelly Olson (and wife Kalli). He is also survived by his sisters, Barb McCabe and Cathy Olson.

John Olson was preceded in death by his parents and two brothers.
