Our Mother

Tribute for "Our Mother"
On Monday morning, August 26, 2024, our hearts were broken to lose you, but you didn't go alone for part of us went with you the day God called you home. You left us with precious memories that we will never forget. The laughter and even some cries. How you loved your family and friends. Oh! Can't leave out how much you loved jewelry, clothes, hats, gospel music, especially Rance Allen, and that black purse. So Mama in ending, your love is still our guide and though we cannot see you, you are always at our sides.

*We will always love and cherish your memories,
Brenda, Albert III, and Rosalyn*

Remember Me

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
We've shared throughout the years.

Now I am contented
That my life it was worthwhile,
Knowing that I passed along the way
I made somebody smile.
When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps
Only half a step behind.

Acknowledgements
