*MY JOB IS DONE*

*When I am gone, release me, let me go.  
I have fulfilled my duty here; you all know.*

*You must not tie yourself to me with tears,  
be thankful for our many beautiful years.*

*I gave you my love; you can only guess  
how much you gave to me in happiness.*

*I thank you for the love you each have shown,  
but now it's time I traveled all alone.*

*So grieve a while for me, if grieve you must,  
then let your grief be comforted by trust.*

*It's only for a time that we must part,  
so bless the memories within your heart.*

*Though you can't see or touch me, I'll be near,  
and if you listen with your heart, you'll hear*

*All my love around you from morn til night;  
I'll forever have you in my sight.*

*And then, when you must come this way alone,  
I'll greet you with a smile and say:*

*WELCOME HOME!*
