

Love Me -

I read a note my grandma wrote, back in 1923
Grandpa kept it in his coat, and he showed it once to me
He said, "Boy, you might not understand, but a long, long time ago
Grandma's daddy didn't like me none, but I loved your Grandma so
"We had this crazy plan to meet, and run away together
Get married in the first town we came to and live forever
But nailed to the tree, where we were supposed to meet, instead
I found this letter, and this is what it said
'If you get there before I do, don't give up on me
I'll meet you when my chores are through, I don't know how long I'll be
But I'm not gonna let you down, darling, wait and see
And between now and then, till I see you again
I'll be loving you, Love, me"
I read those words just hours before my grandma passed away
In the doorway of a church, where me and Grandpa stopped to pray
I know I'd never seen him cry, In all my fifteen years
But as he said these words to her, his eyes filled up with tears
"If you get there before I do, don't give up on me
I'll meet you when my chores are through, I don't know how long I'll be
But I'm not gonna let you down, darling, wait and see
And between now and then, till I see you again
I'll be loving you, Love, me"
"Between now and then, 'til I see you again
I'll be loving you, Love, me"
