*Myco was a dynamic individual whose talents and passions shone brightly in all aspects of his life. He was known for his vibrant personality and multi-faceted skills. Myco excelled in basketball, earning the distinguished title of "City of Davenport Youth Basketball Champion," and he was exceedingly proud to be recognized as the most valuable player on his team. His dedication extended beyond just sports; he also took great delight in music, mastering instruments such as the drums, saxophone, and baritone. Myco's ability to connect with others through melody made him a cherished member of his community.*

*In addition to his sporting achievements, Myco was a compassionate and selfless soul. He was renowned for his kindness, always giving of himself to those in need. His friends and family fondly recall how he cared deeply about others, listened before speaking, and consistently brightened any room with his presence. His laughter was infectious, and he had a unique gift for making people smile, often joking around until everyone was crying with laughter.*

*Education was a cornerstone of Myco's life. He took pride in maintaining good grades, participated in band, and showed a natural inclination towards leadership, not just as a student but also in his role as a coach and mentor in the community. He combined his academic achievements with a sense of ambition and overachievement that inspired those around him.*

*Myco was deeply family-oriented, loving his role as a son, brother, uncle, grandson, and cousin. He valued familial bonds and treated all his loved ones as brothers and sisters in Christ. ## *In Memory Of Special Myco*

Today is full of memories  
of a Brother laid to rest  
and every single one of them  
is filled with happiness.

For you are someone special  
always such a joy to know,  
and there was so much pain  
when it was time to let you go.

That's why this special message  
is sent to heaven above,  
for the angels to take care of you  
and give you all my love.

# To Know Myco...

Myco has always been interested in many things. His heart started off with Basketball. As a kid, his dad signed him up on a basketball team. Myco instantly got the hang of it, and was excited to learn more about the sport.

From practices to game days, his family always showed up in support of his dreams. He loved to play the drums at Church and participate in youth activities. In middle school, he furthered his love for instruments and learned to play the saxophone and baritone. He loved to sing and dance. His favorite genre of music was Gospel.

Myco interests in life grew fonder and he learned to play volleyball. He was so good at it, he was promoted to be a coach. From basketball championships, to coaching, and being a mentor. He inspired many and touched many lives. He appreciated everything in life, and always found a way to make something out of nothing. He lived his life filled with gratitude. Family meant everything to him.

He's a strong man of Christ and was never afraid to share his emotions. A man loved by his entire city and recognized everywhere he went. Apart of him remains in Davenport, Fl. Never forgotten and always in our hearts.

Our beloved boy, Myco.
