## In Loving Memory

*“What a wonderful thing is death, really,  
when all is said and done. It is the great reliever.*

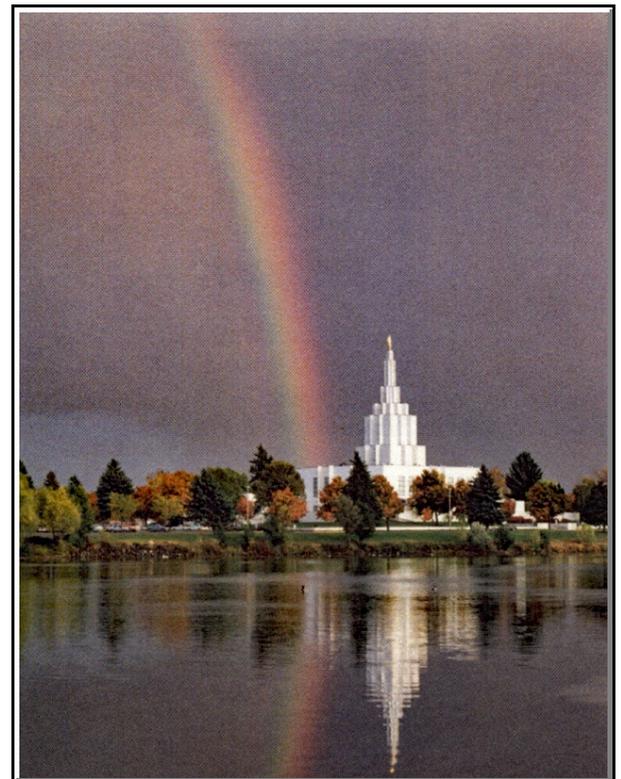

*It is majestic, quiet passing on from this life  
to another life, a better life. We go to a place  
where we will not suffer as we have here,  
but where we will continue to grow, accumulating  
knowledge and developing and being useful  
under the plan of the Almighty made possible  
through the atonement of the Son of God.”*
