

*Ease your grief, he is not gone,
For in your heart he lingers on.
His smile, his laugh, his special way,
Will comfort you from, day to day.*

*You'll feel his presence in the breeze
That dances gently through the trees.
And it's his face that you shall see
When you're in need of company.*

*At any time you can recall,
The love you shared...you saved it all.
And in time, more than anything,
You'll find peace in remembering.*
