Lessons from the Dalai Lama, 2006

- *Great love and great achievement involve great risk.*
- *When you lose, don't lose the lesson.*
- *The 3 R's*
 - Respect for self*
 - Respect for others*
 - Responsibility for actions*
- *Not getting what you want is sometimes a wonderful stroke of luck.*
- *Learn the rules of how to break them properly.*
- *Don't let a little dispute injure a great relationship.*
- *When you've made a mistake, take immediate steps to correct it.*
- *Spend some time alone every day.*
- *Open arms to change, but don't let go of values.*
- *Silence is sometimes the best answer.*
- *Live a good, honorable life. When you are older and think back, you'll be able to enjoy it a second time.*
- *A loving atmosphere in your home is the foundation for your life.*
- *In disagreements with loved ones, deal only with the current situation. Don't bring up the past.*
- *Share your knowledge. It is one way to achieve immortality.*
- *Be gentle with the earth.*
- *Once a year, go some places you've never been before*
- *The best relationship is one in which your love for each other exceeds your need for each other.*
- *Judge your success by what you had to give up in order to get it.*
