If Tomorrow Starts without Me

*If tomorrow starts without me, and I'm not here to see.
If the sun should rise you find your eyes all filled with tears for me;
I wish so much you wouldn't cry the way you did today,
While thinking of the many things we didn't get to say.
I know how much you love me, as much as I love you.
And each time that you think of me, I know you'll miss me too.
But when tomorrow starts without me please try to understand,
That an angel came and took me by the hand.
He said my place was ready, in heaven for above.
And that I'd have to leave behind all those I dearly love.
But as I turned and walked away a tear fell from my eye.
For all my life I'd always thought, I didn't want to die.
I had so much to live for, so much left to do.
It seemed almost impossible that I was leaving you.
I thought of all the yesterdays the good ones and the bad.
I thought of all the love we shared, and all the fun we had
If I could relive yesterday, just even for a while, I'd say goodbye and kiss
you, and maybe see you smile. God looked down and smiled at me
from his great golden throne He said, "This is eternity and all I've promise you".
So, when tomorrow starts without me don't think we're far apart.
For every time you think of me, I'm right here in your heart.*
