"Auntie Chud"

October 12, 1951—August 13, 2022

*I*t is with much sadness that our family and friends are gathered here today, to celebrate the life of a loving beautiful person. The spirit of Elizabeth May Agnes Fenner left her injured body on Saturday, August 13, 2022, at the St. Paul's Personal Care Home, in The Pas, at the age of 70 years.

Elizabeth lovingly known as "Auntie Chud", was born Friday, October 12, 1951 in The Pas, MB, her parents were Thomas and Sarah Fenner. Auntie Chud spent her life in the community of Cormorant, until she suffered a massive stroke at the very young age

of 49. She became a resident of St. Paul's Care Home at that time and resided there until she left us.

Auntie Chud was brought up in a large loving family with her 6 brothers and 4 sisters. She was a happy go lucky person who loved life and family. By no means was she a pushover she was a very independent woman, when she was passionate about something she was very vocal and let people know how she felt.

Even though Auntie Chud never married or had children of her own she was a caring, loving and loyal Aunt to her many nieces and nephewsto many to mention. She also leaves behind many cousins who love and will miss her.

She had a way to make each and everyone feel special when seeing you, she was always warm and caring. Auntie Chud did have one very special nephew in her life that was Quinton Constant AKA as her Bubba. She absolutely doted and loved this little boy who has grown into a man who she was so proud of.

She was a devoted daughter, she cared for her mother Sarah Aka Sadie until she passed. In Grans later years the family home was filled with Auntie's brothers: Putt (David), Husard (Leslie), Kipper (Kenny) and her nephew Keith Constant. She cared for them, fought with them, laughed with them.

Auntie Chud also had a very special and close relationship with her niece Elaine Brightnose AKA Tochee. Tochee was there to

lend a hand looking after our Gran. These two worked together many times over the years and enjoyed life together. Tochee spent a lot of time with Auntie during her stay at St. Paul's, one would often see them going for walks or visiting the mall.

She was a person of strong principles with an awesome work ethic, learning these gifts from her mom and dad. She was always game to go on adventure with friends and family.

Auntie Chud worked at various jobs around the community, even taking a long trip to work in Banff, AB. She was employed at the Cormorant Lake School until she took ill. She worked alongside her sister-in-law Helen Fenner, sharing many stories and laughs along the way. Those two made that school sparkle and shine!

Auntie's heart and memories remained with her time as an EFF, Emergency Fire Fighter, this was when her work ethic and good nature really shone. She had much pride in this part of her life and she absolutely loved being on an all-female Fire Crew. Many of her best memories were made during this time with her crew mates, niece Elaine Brightnose, sister-in-law Lena Hunter and long-time friend and respected elder Mary (Dumas) Constant.

Auntie Chud was a firm believer in her heritage as a Metis woman. She was very proud of her family roots of European and Indigenous descent. We all knew this because she was very vocal about it. She was and will always be the "Fun Aunt", who was always there for her many nieces and nephews.
