Dad

They say there is a reason. They say time will heal.
Neither time or reason will change the way I feel.

Gone are the days we used to share,
But in my heart you are always there.
The gates of memories will never close.

I miss you more than anybody knows,
Love & miss you everyday. Till we meet again,

Always & Forever Love You

Broken Chain

We little knew that day that God was going to call your name.
In life we loved you dearly, In death we do the same.
It broke our hearts to lose you, but you didn't go alone.
For part of us went with you the day God called you home.
You left us peaceful memories. Your love is still our guide,
And though we cannot see you, you are always at our side.
Our family chain is broken and nothing seems the same,
But as God calls us one by one, the chain will link again.

He Is Not Gone

*Ease your grief, he is not gone,
For in your heart he lingers on.
His smile, his laugh, his special way,
Will comfort you from day to day.*

*You'll feel his presence in the breeze,
That dances gently through the trees.
And it's his face that you shall see,
When you're in need of company.*

*At any time you can recall,
The love you shared...you saved it all.
And in time, more than anything,
You'll find peace in remembering.*
