

Thank You Mom

We gathered here with broken hearts
But full of love tonight
The way you held us through the years
Still shines a guiding light
You taught us how to love and dream
To stand when we fell down
And though you've gone your love remains
It's everywhere around

Thank you mom for every kiss, for every lullaby
For holding us through stormy days, for teaching us to try
And though we had to let you go, your memory carries on
We'll love you now, forever more
Thank you mom

Your hands are gentle, strong, and kind
You showed us how to live
Your heart was always open wide
You had so much to give
And even in our darkest days
Your voice will see us through
We'll close our eyes and hear you say
I'll always be with you

Thank you mom for every kiss, for every lullaby
For holding us through stormy days, for teaching us to try
And though we had to let you go, your memory carries on
We'll love you now, forever more
Thank you mom

One day we'll meet beyond the sky
With tears all washed away
Until that time we'll keep your love
It lives with us each day

Thank you mom for every kiss, for every lullaby
For holding us through stormy days, for teaching us to try
And though we had to let you go, your memory carries on
We'll love you now, forever more
Thank you mom
