FOREVER IN OUR HEARTS

OBITUARY

A loving wife, devoted mother, doting grandmother and cherished friend. Linda left us too soon but her indomitable spirit and warmth will forever light our lives.

Linda was full of wit and humor, her quick comebacks and infectious laughter making even the most ordinary moments memorable. Her sharp mind and huge heart were a testament to her fiercely independent nature, and she never hesitated to offer advice or even the shirt off her back to anyone in need. She was always accepting and caring, making everyone she met feel valued and loved.

For the past several years, Linda faced her body's challenges with remarkable courage and grace. Though her body eventually gave way, her spirit and determination remained undaunted until the very end.

Linda's legacy is one of love, laughter, and compassion. She was a cornerstone of her family and will be forever loved and missed. Her absence will be felt deeply, but her memory will live on in the countless lives she touched.

Linda, your light may have dimmed from our sight, but it will forever shine brightly in our hearts. Rest peacefully, beloved wife and mother. We know you are not alone as you reunite with all those we've lost before you. You will be deeply missed and eternally cherished.
