

**Lance Scott Uses Arrow** was born on September 6, 1991, in Mobridge, SD, to Emma Uses Arrow. He grew up in Little Eagle, SD. In the 2000's he attended Sky Ranch where he graduated 8<sup>th</sup> grade. He then went on to high school.

Growing up, Lance loved to be with his friends and family all the time. He enjoyed doing many recreational activities with them whether it was playing basketball, going fishing, grape picking, taking the kids swimming, helping out decorate the church and our house around Christmas Day, as well just helping out whoever needed help with anything! He enjoyed fixing things that needed to be fixed. He had good mechanic skills as well. He could rig up something to fix what couldn't be fixed.

He loved to joke and tease family and friends, always made them smile and laugh when he was around, just being his comical self. He had a nickname for everyone that was close to him, friends and family. He had a good sense of humor and a crazy personality. For the "good laughs, smiles and memories" we shared with him will be deeply missed.

He loved listening to music, watching movies, but most importantly spending time with his kids, who he loved and missed very much. Eating his favorite meal of "Mac and Cheese" and "Brown Marconi's".

He was a person who will be deeply missed by all who were close to him.

He is survived by his three daughters; LaJaye One Feather, LaMiyah and Layah Uses Arrow, four sons; Lance Jr., Lakken, LaMarcus and LaKhai Uses Arrow all of Little Eagle, SD, mother, Emma Uses Arrow, Little Eagle, SD, brothers; Daniel (Cherie) Uses Arrow, Ft. # CROSSING OVER

Oh, Please don't feel guilty  
It was just my time to go.  
I see you are still feeling sad,  
And the tears just seem to flow.  
We all come to earth for our lifetime,  
And for some it's not many years  
I don't want you to keep crying  
You are shedding so many tears.  
I haven't really left you  
Even though it may seem so.  
I have just gone to my heavenly home,  
And I'm closer to you than you know.  
Just believe that when you say  
My name, I'm standing next to you,  
I know you long to see me,  
But there's nothing I can do.  
But I'll still send you messages  
And hope you understand,  
That when your time comes to  
"cross over," I'll be there  
To take your hand.
