

Do not stand at my grave and weep

Do not stand at my grave and weep.

I am not there. I do not sleep.

I am a thousands winds that blow.

I am the diamond glints on snow.

I am the sunlight on ripened grain.

I am the gentle autumn rain.

When you awaken in the morning's

hush, I am the swift uplifting

rush of quiet birds in circling flight.

I am the soft star that shines at night.

Do not stand at my grave and cry.

I am not there. I did not die.
