

In The Garden

I come to the garden alone
While the dew is still on the roses
And the voice I hear, falling on my ear
The Son of God discloses

(Chorus)

And He walks with me
And He talks to me
And He tells me I am His own
And the joy we share as we tarry there
None other has ever known

He speaks and the sounds of His voice
Is so sweet the birds hush their singing
And the melody that He gave me
Within my heart is ringing

I'd stay in the garden with Him
'Tho the night around me be falling
But he bids me go; through the voice of woe
His voice to me calling
