

IF EVER

If ever I would leave you it would be twixt and
between the rising moon and setting sun.

If ever I would leave you it would be when time did
not know day nor night and all dimensions were
one.

If ever I would leave you the stars would twine
around one another and shed tears on each others
shoulders for they would know they were saying
their last goodbyes to one another.

For if ever I would leave you it would be with my
last breath and I would know my God's eternal
rest.

Obituary

James Edward Lovett, born on the 7th day of April to Mattie Elizabeth Lovett and Charles Gilstrap. He was preceded in death by both parents, his sisters Darlene Willa Mae and Terri Lynn, and brother Curtis.

Born at 838 Lincoln St. He had a great love for his neighborhood and all those he met along the way. He was never too good to walk by and not speak; not too broke to give his last; nor too tired to lend a hand. As good and pure a soul you'll ever meet. I know he'll be missed by those he touched... by family and by the neighborhood. He forever called home...

WALNUT HILLS FOREVER!

James "Jamie" Lovett leaves behind lots of family and friends including a son, Isiah; brothers Ronald (Valerie), Rickie (Elaine), and Charles; and sisters Ruth (James), Carol, Carla (Buster); and a whole host of nieces and nephews.

by the number of breaths
we take, but by the
moments that
take our breath away.*
