In 1994, Margaret and Anthony moved to Delta. She provided volunteer services to the 4-H, teaching sign language and helping direct the program. She served in many LDS Church callings, but her favorite was as a Primary Teacher. Margaret worked hard to make her home a safe and nurturing environment for her son and his friends. She was like a second Mom and loved having activity all around her. She was an excellent gardener and grew many beautiful flowers. She was skilled at drawing and painting and loved doing it. She loved spending time outside in nature, and made extra effort to have those experiences.

We will always remember Margaret for her always fun, sometimes sarcastic, sense of humor. Her caring and nurturing spirit and effort to make everybody happy. She was the queen of the backyard campout, and created a tradition of everybody sleeping outside before the 4th of July celebration that was enjoyed by her family for years. Margaret made the people around her feel good, and we will all miss her deeply.

Margaret is survived by her son: Anthony (Taylor) Glines; and brother: Robert (Sheryl) Dekker. She is preceded in death by sister: Arjanna (Roy) Wood; brother: Bill Dekker; and sister: Doris (Grant) Bennett.
