Dear Brother Your Memory Will Never Fade

PSYCHIC MEDIUM MICHELLE

My dear Brother now that you are gone
You're no longer here to share
The bond we had together -
A bond of love and care.
Yet, somehow something tells me
You are watching over me -
Now that from Worldly cares
You finally are free.

I miss you so very much,
And my tears I cannot hide
Yet, within my heart, I feel
You are always by my side.
Ever since you went away
Life has never been the same
Yet, it comforts me to know
That one day we'll meet again.

-Author Unknown

Life is not measured
by the number of breaths
we take, but by the
moments that
take our breath away.

- Unknown

You never said you were leaving
You never said goodbye,
You were gone before I knew it,
And only God knew why,

A million times I'll need you,
A million times I'll cry,
If love alone could've saved you,
You never would've died,

In life I loved you dearly,
In death I'll love you still,
In my heart you hold a place,
That no one could ever steal.

It broke my heart to lose you,
But you didnt go alone,
Part of me went with you,
The day god took you home
